our entertainment....

The Harbour Bar, Bray was established in 1871 and has had a colourful history over those 143 years. The bar has seen many celebrated people drop in for a pint; people such as James Joyce, Katherine Hepburn, Peter O'Toole and Bono. The bar was respectfully renovated in 2013 when the Duggan family bought the bar from the O'Toole family. The charm and curios that made The Harbour Bar famous have been retained, and the Backroom and Upstairs are now open to enjoy a cosy pint and a Toasted Special by the fire. The Harbour Bar prides itself on a commitment to showcasing excellent music with traditional Irish music in the Bar and live bands onstage in the Live Lounge from Wed-Sun. The Harbour Bar was voted 'Best Bar in the World' by the Lonely Planet travel guide in 2010, and since then it has only gotten better!"
