Driving Tours

Fanad Scenic Drive

Mount Errigal

The Fanad Peninsula scenic tour is a 72km circuit of the area, which is well signposted and is a splendid drive. Follow the R247 from Ramelton and enjoy the views of Lough Swilly all the way to Rathmullan. Continue for a short distance along the coast to the harbour where the Flight of the Earls Heritage Centre is located. A fully equipped sea angling boat can be hired at the nearby pier and the glorious beach at Rathmullan flies an E.U blue flag. Follow the Fanad Drive and Portsalon signs, passing the Otway 9 hole links, where golf can be played all year round. Keep right at the fork for Portsalon. As the road rises around Knockalla Mountain enjoy the breathtaking views across Lough Swilly. Below you is Ballymastocker Bay bedecked with a trilogy of golden beaches and punctuated by fingers of grassy dunes. Portsalon lies across the bay. Resume your drive turning left into Portsalon. A left turn in the village will take you to Fanad Head via the coast. Follow the signs for the lighthouse. From the attractive lighthouse grounds you can see the rugged horn of Dunaff Head across the bay and further east, the long finger of Malin Head, the most northerly point in Ireland.

Retrace your steps, this time ignoring the sign for Portsalon and keep the coast on your right. Turn left, signposted Kerrykeel 13km. Keep following the Fanad Drive signs past the inner lakes of Mulroy Bay and over a small bridge. Joining the R246 follow the sign, right, for Milford, which lies at the foot of Mulroy Bay. At the T-junction a left turn takes you into the village of Milford and right is the road to Carrigart (R245)

Fanad Head Lighthouse is a magnificent working lighthouse with guest accommodation and a main signature point on the Wild Atlantic Way. Tours offer a fantastic insight into the rich and vibrant history of Fanad Lighthouse and the beautiful Fanad Peninsula.
