The Garden of the Senses was designed to appeal to the five senses and to be inviting to all members of society. The project was inspired by Soroptimist International Tralee & District, under its then President Maura Bailly, in 2000. The garden places strong emphasis on ancient Hanley history of Ireland. Highlights include the Standing Stone, the Cauldron of the Dagda, Bronze Age horns and much more. Ph. +353 66 7121633
